

FIELDSTONE OWNERS ASSOCIATION
APPROVED
Minutes of the Meeting of the Board of Directors
Tuesday, June 11, 2019

Location of Meeting:

Pool/Patio Area
344 Fieldstone Drive
Murphys, CA 95247

The meeting was called to order at 6:00 p.m. by President, Mary Radford. Officers present were Dave Powell, Elisa Garin, Kevin McWheeney, and Aaron Smith.

I. Reports

A. President

1. Painting Update: A painting contractor was approached to fully paint all of the houses in the subdivision. The contractor recommended that dry rot and damage be identified and repaired prior to painting. As a result, painting will be held off this year so that a thorough pest inspection can be conducted, damage identified, and repairs scheduled.
2. The Board is gathering bids for the roof inspections and road repairs proposed for this year.
3. Thanks to Michael Harder for updating the Fieldstone homeowners directory and Gayle/Elson for work on the bulletin board. Copies of the updated directory are available from Leslie Hager (leslie.hager@comcast.net).
4. Pool: The LED lights in the pool were flickering and when the Environmental Health Department conducted an inspection, the lifesaving equipment was not in compliance (lifesaving ring old and improperly sized, rope and signage deteriorated, metal hook rusted, and chlorine level low). The lights and safety equipment were replaced. Photos of the updated equipment were sent to Calaveras County and the pool reopened.

B. Treasurer

1. Monthly financials brought to meeting and available for review. Money for the Reserve Fund is being allocated and will be transferred to Edward Jones in one lump sum by the end of the year.
2. All HOA dues are current. Some are slow to come in each month which has necessitated frequent trips to the bookkeeper so checks are deposited weekly.

II. Review of the Previous Minutes

Approval of the draft minutes from the April 13, 2019 meetings. Kevin moved to approve the minutes. Aaron seconded the motion. The motion was approved by a 5-0 vote.

II. Action Items:

1. The Board will consider a request by the homeowner of unit 308 to install an awning for sun protection above one of the 2nd story side windows on her house. The applicant included a bid from the fabricator and a hand drawn illustration. The CCR's in Section 10.1 address awnings and require submission of plans and specific information in writing in order to approval projects of this kind. Kevin motioned that the Board discuss the awning. Mary seconded the motion. The Board discussed the request but agreed additional details and specifications are required. The motion was tabled pending further information.
